

Attachment 2

Eligible Applicant Documentation

Is the applicant a local public agency as defined in CWC 10701(a)? Please explain.

Yes, Napa County is a local public agency as defined in the California Water Code.

What is the statutory or other legal authority under which the applicant was formed and is authorized to operate?

The County is a political subdivision of the state of California.

Does the applicant have legal authority to enter into a grant agreement with the State of California?

Yes, Napa County has the legal authority to enter into a grant agreement with the State of California.

Describe any legal agreements among partner agencies and/or organizations that ensure performance of the project and tracking of funds.

The County of Napa has a Memorandum of Understanding with the Napa County Flood Control and Water Conservation District (Flood District) to collaborate in watershed and water resources management. The MOU specifically includes groundwater and surface water monitoring and modeling activities. Please see Att#2_LGA12_NapaCnty_EligDoc_2of3 for more information. Furthermore, the Flood District has an agreement with the Napa County Resource Conservation District to assist the District with streamgaging work and to provide other hydrologic monitoring and modeling services. Please see Att#2_LGA12_NapaCnty_EligDoc_3of3. The County, Flood District and Napa County Resource Conservation District have a long history of collaboration on watershed projects.
